

Valeriaan tinctuur 1:10 30%v/v

Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH)

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

Substance name : Valeriaan tinctuur 1:10 30%v/v
Product code : 031V004.02.0

1.2. Details of the supplier of the safety data sheet

De Nederlandsche Afvulmaatschappij B.V.
+31(0)10 4752435
info@denederlandscheafvulmaatschappij.nl

1.4. Emergency telephone number

Emergency number: see 1.3. Only during office hours.

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

Classification according to Regulation (EC) No. 1272/2008 [CLP]

Not classified

2.2. Label elements

Labelling according to Regulation (EC) No. 1272/2008 [CLP]

Not classified

2.3. Other hazards

No additional information available

SECTION 3: Composition/information on ingredients

3.1. Substances

Valerianae radix
Alcohol/water (30% vol.)

Risks: The product has been approved for internal use. No side effects have been reported to date following normal use.

SECTION 4: First aid measures

With abundant and non-prescribed internal usage: None known

With abundant external usage: None known

SECTION 5: Firefighting measures

The product is flammable when pressurized. Fire category B (liquid fire).

Fire extinguishing agents: Category B fire: Use Spray foam extinguishers, CO₂ extinguishers or powder extinguishers.

Specific dangers inherent to the product, its combustion by-products or the gases that can form: No known harmful gases or combustion products are known to develop with combustion of this product.

SECTION 6: Accidental release measures

Personal safety precautions: See subsection #8; no further special data are required.

Methods of cleaning: Mechanical cleaning suffices. Store in a proper (any) container

SECTION 7: Handling and storage

Handling: Information required for safe handling, No special precautions required

Fire and explosion protection: No special precautions required

Storage: Store in a cool, dry and dark place

Valeriaan tinctuur 1:10 30%v/v

Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH)

SECTION 8: Exposure controls/personal protection

Added information for the composition of technical : See subsection #7; no further special data are required
Compounds with notable limit values with respect to the working environment.

Denomination of the compound : Valerianae radix
Alcohol/Water (30% vol.)
No limit values applicable

Personal safety precautions : Common safety and hygienic measures

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

Physical state	: Liquid
Colour	: Yellow to brown
Odour	: Characteristic
Odour threshold	: No data available
pH	: 4-8
Relative evaporation rate (butylacetate=1)	: No data available
Melting point	: No data available
Freezing point	: No data available
Boiling point/boiling range	: 96°C (at p=p0)
Flash point	: 29°
Ignition temperature	: 363°C
Decomposition temperature	: No data available
Flammability (solid, gas)	: No data available
Vapour pressure	: No data available
Relative vapour density at 20 °C	: No data available
Relative density	: No data available
Solubility	: No data available
Partition coefficient	: No data available
Viscosity	: <0
Explosive properties	: No data available
Oxidising properties	: No data available
Explosive limits	: No data available

9.2. Other information

Possibility of spontaneous combustio : Yes

SECTION 10: Stability and reactivity

Circumstances to be avoided :

The product should be kept in a closed container, preferably at room temperature or below. The product is deemed stable and non-reactive under normal circumstances.

Dangerous decomposition byproducts : None known

SECTION 11: Toxicological information

Acute toxicity : Specific information on the acute toxicity of these preparations are currently unknown

Primary irritation : n.a.

Miscellaneous information : Not available

SECTION 12: Ecological information

All raw materials have been produced under agricultural laws without the use of harmful insecticides or other toxins.

Valeriaan tinctuur 1:10 30%v/v

Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH)

SECTION 13: Disposal considerations

According to directive 2008/98/EC.

Product : No special measures required. Not harmful for environment, therefore it can be disposed of with household waste.

Waste key nr. Not available

Packaging The package materials can also be disposed of with household waste.

SECTION 14: Transport information

Dangerous cargo regarding transport procedures : GGVS/GGVE/RID/ADR/IMDGCode/ICAO-TI :

Non-flammable, not explosive neither reactive. It does not require any special transport conditions.

SECTION 15: Regulatory information

Marking according to EC directive : According to available data, this product is not labeled as being a dangerous or potentially hazardous substance regarding laws on controlled substance legislation or laws on hazardous materials.

SECTION 16: Other information

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product
